time immemorial should continue to be exempted and that as the condition of the Villagers in the Sanitary Board Villages was in no way different from that of the inhabitants of other villa-es in the state there was no reason why they ~~also~~ alone should pay cart tax on agricultural carts.

The Board considered the subject in their meeting on 16th February 1923 and resolved that carts in rural areas exempted under Mohatarfa Rules should be exempted under Vehicle Tax Rules also.

By recognising such exemptions, a loss of revenue of about Rs. 800/- per annum was anticipated which the Board was willing to forego as the re-presentation of the Villagers seemed reasonable. In the circumstances I request Sanction of Government to the Board's proposal in the matter and to the addition of the following item under para "5 exemptions in the Vehicle Tax Bye Laws". "(8) carts exempted from payment of Mohatarfa cart tax under Mohatarfa Rules".

A copy of the Board's resolution together with a copy of the Bye Laws is submitted enclosed.
